All of these ads tempting adult models with thousands of dollars aren't telling you the full truth. Well I will:

Come and do a casting call for a small nominal fee. You won't get rich this time, but you can at least try out and make a little money. If the two agents I work with select you, then you would be in for a very fun, rewarding trip to the Southern California area, including all-expenses-paid and a healthy stipend. But you have to try out first! All photos are private, and sessions are discreet.

You:
18 - 45 years old
Slender to medium build
Between 5'4" and 5'11"
Comfortable in your own skin

This is non-committal (meaning no contracts to begin), very quick (an hour or less), and you're paid on the spot (small nominal fee). Email 2 full body photos (non-nude until age is verified, faceless is ok, but bikini/lingerie preferred). I am non-licensed, so I can only be compensated with a "finder's fee," of which, I split with you.

The least you can do is try out. THEN decide if this is something you want to do. Email!
