Hi! My name is Elizabeth and I am a 22 year old mother of two. I was born and raised in Jericho, VT but currently live in Colchester Vt. I have been working with children in a variety of settings for over 6 years. Teaching children is my passion. I am currently working at a licensed. Previous to this experience, I worked with children in numerous settings, such as babysitting and my own children. I am in the process of completing my CDA. In my free time i enjoy reading, hiking, painting and being around people. Spending time with children is the only work I have encountered in my life that has really been rewarding.

I enjoy working with children in the outdoors, creating arts and crafts projects, while making sure your children have a fun time in a safe environment. I am an enthusiastic, fun and responsible!
