

Opening for 2015 Campground Manager (South Hero, VT)

Location

Vermont

<https://www.genclassifieds.com/x-589501-z>

Keeler Bay Campground and Marina is in need of an on-site campground manager (or couple) for the 2015 camping season (May-September). We are a 28 site family-owned campground and 44 slip marina with 900 feet of shoreline on Lake Champlain's Keeler Bay in South Hero, VT. In 2012 we renovated all the sites utilities (water, power & sewer) and installed a new bathhouse. The manager will receive free site rental for the season as compensation.

Our ideal candidates would:

- own their own RV and live on the site all season long, enjoy the lake, and all that summer in the Champlain Islands has to offer;
- have a good understanding of RVs and the operations of a campground;
- function as the greeter to those entering the campground and distribute literature to campground visitors to book new campers.

Other tasks include - Cleaning the bath house, keep the grounds free of litter and looking welcoming, general light maintenance, light gardening on several flower beds, ensure the safety and peace of campground.

See our website at www.keelerbay.com. Please respond by e-mail or call us at to discuss this opportunity for this.
