Psychology Research Study

The study is being hosted by the University of Utah Applied Cognition Lab at the Behavioral Sciences Building from July 27th to July 30th.

****At this time, we are only looking for male volunteers. Thank you for understanding.****

Quick Summary: One scheduled appointment approximately 1-2 hours long for \$20 per hour of participation.

You will be required to wear an electroencephalogram (EEG) recording device during this time. Participants with dreadlocks, weave or extensions will not be allowed to participate due to the requirements of the recording device.

Eligibility Requirements: You Must. . .

- Be in good health
- Be between 18 to 35 years old
- Be a fluent speaker of English
- Have normal neurological functioning (no recent head trauma, epilepsy, etc.)
- Have normal or corrected to normal vision
- Have normal or corrected to normal hearing

If you meet these requirements, please email with the following information:
