Your wedding is the beginning of your journey into married life. I strive to create a ceremony based on your needs and desires. I care about you and want you to be comfortable and happy with this powerful and deeply personal event.

I OFFER: A traditional or personalized ceremony. Rehearsal if needed. A written copy of the ceremony as a keepsake. Timely filing of legal documents. I will travel to your wedding location or you can have your wedding at my cozy garden chapel.

I will strive to make your wedding day a celebration of memories to treasure.
