Get ready for summer! Residential Construction Services can build you a beautiful new deck just in time for those big family get togethers and long relaxing weekends. We can help you design a brand new deck or refresh your existing one. From Natural wood to Composite decking to a Custom installation using a stainless cable rail system we've got you covered.

Stainless cable rail systems offer you a modern style and will enhance not block your view. We offer Marine Grade 316 Stainless Steel Deck Railings, Cable Rail Fittings, and Stainless Steel Cable. Stainless steel will stand up to years of Northwest weather and salt water conditions and look great for years to come.

We are a licensed, bonded and insured contractor with one mission...build a quality product no matter what the project.
