In my home or yours, one night or more, one time or regular. If your pup stays in my home they MUST be good with having a cat around and a senior female dog. Pet owner experienced with all species, breeds, activity levels, seniors, special needs, medications, etc. Very patient and loving but a natural pack leader. Excellent references. Custom rates depending on your needs. Frequent text/email updates with photos will always be provided for your peace of mind. Please contact me with any.
