Hi my name is Branden

I service/repair, upgrades, clean, and Optimize all desktop and laptop computers right out of my home

(Windows Only-NO Macs). I have been serviceing & repairing computers for over 24 years

Do you have a Computer that has Windows 8 or 8.1 on it, and you want to have Windows 7 instead

I can extract all data on computer (you gat all your data) and wipe entire system (hard drive) DOD and do a

FRESH install of Windows 7- (32-Bit or 64-Bit) Genuine Licensed and put all data back onto computer

Install all original drivers and all Windows Updates

Clean & Optimize System all for \$100.00 each laptop or desktop computer

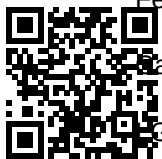

If you want (Microsoft Office Pro Plus 2013) included-(1 LIFE TIME INSTALL per computer) that would be \$45.00 more

For Questions or to have your computer Serviced, Repaired, Cleaned or Optimized

Feel free to call Affordable Computer Service & Repair

Call ask for Branden

Guaranteed to work I don't work for computers I work for customers
