Location

California

<https://www.genclassifieds.com/x-590321-z>

OUTDOOR LIGHTING ( BOTH LOW AND LINE VOLTAGE ) systems. ALSO SPRINKLER REPAIR  
Trouble shoot existing problems , Service / Repair / Alterations and new installation. Located in Down  
Town Walnut Creek . Usually Same Day Service !! We offer a complete line of fixtures to choose from  
inexpensive but practical to Architectural fixtures to match home design. Or fixtures you selected  
yourself.. Outdoor Lighting provides \* Safety \* Security \* Aesthetics. All fixtures are installed to industry  
standards.

Wattage is set to provide long lamp life. Connections are made to be weather proof. All wiring is secured  
and hidden from view. Lights are selected for desired purpose and effect. From illuminating Decks,path  
ways, to up lighting trees, down lighting trees to create a moon effect. Behind shrubs to create depth and  
silhouetting. There are many ways to create many interesting effects. We offer many suggestions for you  
to choose. We also install, move or repair Outdoor weather proof G.F.I. receptacles. We are fast, effective  
and prepared. And charge only \$ 35.00 per man hour. One hour minimum. Lower than anybody in the  
business. All work and materials are guaranteed for one year. I have 25 years experience in all aspects of  
Landscaping. If interested please Call George
