Rarely vacant apartment in Holly Park Apartments in Columbus ready for tenants.

I've got a nice 2 bedroom condo. If you like to have guests over the living space offers plenty of space for entertaining. A total upgrading of the kitchen was done in early 2015 with brand new cabinets and appliances. The unit has been renovated with new paint on all walls and new flooring. \$755 /mo is the rent and includes the power and water.

Mail me at if you would like to see the property.
