GET IT HOME (PASADENAALL L.A. AREAS)

Nice armoire! (or TV, or fridge, or whatever...)

Now you gotta get it home, and it probably won't fit in your Prius.

Not a problem! 1 or 2 strong men and a longbed pickup are waiting for your call right now.

We're experienced, polite, and inexpensive, with plenty of references.

Deliveries start at just \$60, and we do everything, so call us for all of your moving needs!

16' flatbed trailer also available, for moving cars or large items.
