

Area Manager Comercial Cleaning (oakland east)

Location **California**
<https://www.genclassifieds.com/x-590453-z>

Diversified Maintenance Systems, a nation-wide leader in commercial cleaning services is seeking an experienced Area Manager . We are a growing company and need great people to join our team!

Responsibilities:

- budget control
- customer satisfaction
- employee payroll
- managing customer accounts
- other duties, as required

Candidates must supervise the work of cleaning crews with duties, including but not limited to; cleaning facility, trash removal, cleaning bathrooms, mopping and sweeping, vacuuming, dusting and operating necessary equipment. Territory size will require extensive local travel, some overnight travel and overseeing work that is performed during day and night shifts.

All applicants must be authorized to work in the United States. Due to nature of position and workforce, the ability to speak, read and write both Spanish and English is preferred.
