

## Male softball player looking for a Team (Centennial)

Location **Colorado** https://www.genclassifieds.com/x-590483-z

All - I just moved to to Denver and am in search of a fun-loving, possibly competitive team. I've played a ton of ball...29+ years! If you are looking for a no-drama, fun addition to any skill level team, I would be very appreciative! I prefer co-ed, not pitching, and drinking beer - co-ed being.
