Pay close attention: How many hours do you have to work, in order to make \$80? Let's say you had a job making \$8 an hour, and you worked 8 hours a day, that means you would only make \$64 for the day. Now, what if I told you that you could make \$80 for every \$39.90 membership that you sale, would you be interested? There is no limit on the number of people you can refer. It is also free to become a sales associate. You will get paid every Friday by direct deposit, for the previous week sales. Want more info? Please provide me with an email address, and facebook link if you have.
