Casting for several major markets is branching from Atlanta down to Columbus over the next two weeks. The Atlanta opportunities could lead to shoots out in L.A. meaning even more \$\$\$. If your interested in making anywhere from \$100 (solo tryouts) to \$3000 (basic one on one) we can attempt to put these basic amateur videos together down in Columbus to make everyone quick cash in only a couple hours.

Criteria - age 18-25 preferably, race does not matter, in shape, moderately to extremely attractive is a plus.

Again, mostly easy introductory videos to use for our scouting, possibly more based on scenario, scenes willing to be done (everyone knows gay/lesbian videos make more money for actor/actresses).

You should- email at least two regular non-nude pictures of yourself, (complexion, body, etc...will be examined later), contact number if you desire...only to be used should email fail in trying to contact and what YOU would be interested in and might consider doing in regards to types of shoots (solo, mm,mf,mff, etc.)

Thank you for your time, hope to hear from
