I have an electric dolly capable of moving up to 1200 lbs safely up or down your steps. Check out the attached video that shows how the unit works: <http://www.escalera.com/moving/safe.htm> . I will come to your house and move your item to your selected location. Pricing as follows:

Minimum service charge - \$100 (Includes up to 10 steps)

Over 10 steps - Minimum service charge PLUS \$8/each additional step

Pricing is based on straight run stairs. I may be able to do switchback stairs on smaller items depending on how large a landing you have. The maximum height of your risers should be about 8" high and the treads should be about 10" deep.

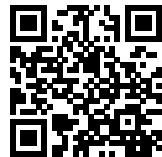

Any questions, give me a call. Let me know what you have, size, weight, access and stair type. Email me or call/text John at four43-46six-6six25.
