Also the Janitorial unit made by Amana

That was replaced by the goodman unit it is a split system w/air handler it's 3ton over 10yrs old the unit has no leaks or any known issues it worked fine when I uninstalled it just was undersized by a half a ton to the original house size an didn't have the efficiency as the newer goodman 125\$ 4 unit 75\$ for handler or both for 150\$ best offer and will consider trades.

Text Mike

For all items listed above will sell for cash only sacrifice all for 1500\$ till Sunday July 26 5:00
