Trailer (575 USD)

Location **Arkansas** https://www.genclassifieds.com/x-590881-z

I am selling one of my trailers. I don't use it. It has rails on the inside to keep four wheelers from sliding around. Ramp has a dove tale so it is not as steep. It is a good trailer and built well. Does need tires.

May trade +/- for a razor / rzr, or a enclosed trailer.
