Are you a musician, songwriter, singer, poet, or any type of vocalist? Would you like to record your art with quality that meets or exceeds industry standards? Would you like to work with someone who has experience and can deliver the exact results that you want? My name is Brendon and I'm a certified Audio Engineer & Music Producer. I run an IN-HOME digital recording studio located in Highland Park, Michigan. I have 1000+ hours of audio recording experience and have worked with many different artists and various genres/styles of music. I am very passionate about music & creating high level art. Being an artist myself, and I understand how important it is to get that exact sound that you're going for and I'll work with you to get your music there.
