Hello,

I'm Otis and I am an experienced Logo/Graphic Designer looking for more work to do. I can design a logo from scratch or make modifications to your current one you're using. I offer an outstanding service to all of my clients and look forward to providing the most value possible in the shortest amount of time possible for you. Look at some of my past logo designs I have created above.

Thank You -- and I look forward to working with you soon.

Otis
