I just got a new iPhone 6, but I already have all the accessories from an older phone. These accessories are all BRAND NEW and have never even been taken out of the box! I guarantee them to be 100% authentic apple product and I can show you the receipt for my phone.

I am willing to sell them individually, or as a set for \$50. The accessories include:

- Headphones w/ Mic & Remote (\$25)
- Lightning to USB Cable (\$15)
- Wall Charger (\$15)

All of these prices are cheaper than what you will pay if you buy them from apple directly!
