We are looking for 2 cashiers for the Delaware State Fair.

You will work from 8:00 PM til closing for the entire event.

You will need to be available for the entire event dates which are July 23 through August 1.

You will be required to pass a background check and drug test so if this is an issue please do not reply.

The fair takes this very seriously and so do we.

Only positive people with discipline need apply.

You must be able to work fast and accurately and handle pressure well as this event has roughly 350,000 in attendance over the course of the event and the toy we sell is about the most popular thing there.

Please contact us asap if this is something you are ready to commit.
