I'm available to care for your Children, from Monday - Friday, regular or flexible hours. I have a total of 10 plus yrs., experience.

** I specialize in caring for Newborns & Toddlers, at your home. I'm a single female with no Children.

My last Nanny just ended, due to the family moving back to Tucson. I cared for their Loving Son, from the Age of barely 4 months old, until a toddler, a total of 18 Months total.

The baby also had an older brother at age 6, and sister of age 11, which at times I would care for, all at one time.

I'm dependable, clean & organized, trustworthy, hard working single female. I'm a Native of a Phoenix, Arizona, have no children, own my car, fully insured.

I also include, light housekeeping, prepare meals, assign fun activities, for instance, Water Parks, Skating, Movies, etc. As long as we have an allowance, per parents to permit.

I Love Children, as if they were my own. I've never had any problems or concerns, while caring for children in my experience with families, etc.

I'm a non-smoker, non-drinker, well established professional female.

Please contact me if you have any questions, or perhaps Schedule an interview.
