My wife has her Rex bunny (Paul Hopper the fast and the furriest)  
 We got him from pratts pets in downtown Glendale  
 We paid a little over 80\$ for him and his cage  
 Open to re homing fee offers (were reasonable with you, we understand the economy right now)  
 But making sure he goes to the right person is top priority  
 He doesn't like to be held/cuddle/grabbed  
 If you sit he will come to you and let you pet him  
 He's potty train and doesn't Bite. Were moving to an apartment and can't have him.  
 He will come with cage and treats
