Do you want to learn guitar or bass with a caring, professional and experienced music instructor?

John Chapman is a top SF Bay Area guitarist and master teacher with over 20 years pro experience from NYC. He is also a singer songwriter that performs with many world class musicians, his guitar playing airing on national and international TV and radio.

John teaches the student. . . with the understanding that each individual has a different learning style, interests and goals but accelerates learning by using tested early development learning techniques in his GUITAR SYNERGY ©2015 JOHN CHAPMAN 2015 METHOD.

Chapman's Guitar Synergy Method is a highly successful empowering, targeted, layered and accelerated guitar method like no other, guaranteed!! It's exercises and drills can be adjusted to fit each students learning needs.
