Nicely remodeled two bedroom with a lot of space, and a reasonable cost, this area is expected to rent quickly! Off Street Parking and a Washer/Dryer inside the unit! I went all out with upgrades to create this a perfect unit. This unit is really a roommates dream with the dual master bedroom setup which include closets and bathrooms. Super large open living space. The living area flows into the kitchen and dining area. Kitchen has modern appliances so you don't need to worry about that. See the pics attached and if you would like more details. To setup a showing please get in touch. Utilities are my responsibility. Small Pets are allowed. Minimum 1 year lease. This place is available for rent starting this week. If you would like I can have the unit professionally cleaned before you move in. I look forward to meeting you, thank you for reading.
