I'm a music producer and engineer located in Los Angeles, California.

I write and produce for most genres, including: Pop, Hip-Hop, Alternative, Rock, R&B and EDM.

I've been writing, playing, and producing music for over 10 years. As your music producer, I will confidently guide you through the entire writing and engineering process. I won't take control of your music. My mission is always to preserve your original creative vision.

As a producer, I charge \$40.00 per hour or you can contact me for a block-rate.

I also do audio mixing at \$200.00 per song and mastering at \$50.00 per song.

Email me at [seanyurick\(at\)gmail.com](mailto:seanyurick(at)gmail.com) to begin or ask any questions.

Cheers!
