

need help watching dogs for my doggy day care (San Jose and surrounding areas)

Location **California**
<https://www.genclassifieds.com/x-624615-z>

Looking for a reliable trustworthy individuals that will be taking care of dogs in my home while i'm gone on the weekends.
i'm looking for a person that loves dogs and can be professional and on time. my main concern is when i call you can be here right away to be with the dogs so they aren't left alone. may be 5 - 15 dogs at a time.

please tell me a little about your self including age, work experience, hobbies etc
please send me a photo

please have transportation to and from my house and is probably best if you live close by.
