

Photographers assistantshooter wanted (san jose west)

Location **California**
<https://www.genclassifieds.com/x-624621-z>

We are a top Bay Area Studio. We are seriously looking for a female to help both me main photographer and my studio manager/photographer for over booked days and times where we are short handed.

Female needed to work closely at times with babies,children,animals,families and more so we need the balance of a woman's touch and that sensitivity with the above. People/child,baby person a must and we really need someone with some photography background and talent that can shoot nice candid long lens work.

I also at time need help with photoshop and other post production work.
Home office located in San Jose with Studio in Fremont. Light training available from me and studio manager.

Time to shine. Send us a email,show us some work. Tell us about you and what you hope to learn and gain from this position.

Be flexible. This is part time work only.
Only serious need apply. Must be above 18.

Bay Area Only within 20 mile range of San.
