Hi,

I am looking to pay someone to make this recipe for me. I really want to try it but I am not a great cook, especially not at baking. It would take me many tries to get it right.

I will pay for the ingredients, plus a reasonable fee for your time and effort (I don't have a specific amount in mind but we can discuss this and agree on an amount you're happy with). I don't need a huge batch, I just really wanted to try this because it looks so good.
