Need help cleaning 1-3 hours per week. Located near The Hub at Mowry / Logan.

Cannot pay "under-the-table".

Looking for someone long-term to help with cleaning: Bathroom, kitchen, dusting, empty garbage cans, mop / vacuum floors, counters, laundry; organizing; ironing.

I am not looking for a cleaning service - I am looking for a local person to come and work by an hourly rate. I can issue payment if qualified as an Independent Contractor, but can put on semi-monthly payroll. You will need hire documents (minor will need parental / school permission) and I will pay for your Background Check (if over 18). I can write you a check each day you work if Contractor.

1-3 hours per week for cleaning and other projects such as chopping vegetables, ironing, watering lawn, putting garbage cans on street, organizing projects, etc.

Hours preferred before or after work / weekends.

Email me about yourself, how long you've lived in the area, what hours you are available and the hourly rate you are requesting.

Once we choose a day or two, I ask that you are dependable to that schedule.

Thank you, Deborah
