I'm a 4.5 to 5.0 player. I can play both singles and doubles but prefer just hitting to help develop your groundstrokes, volleys, and consistency as well as match play strategies. My best shot is my slice backhand and I hit a heavy topspin forehand. You can expect to burn a ton of calories hitting with me so it'll be a great and fun workout. Text me at

if interested. I think the price is very cheap for my services...First hour is free to see if you think I am worth that \$10 per hour charge (basically minimum wage). You have to travel to me because of my cheap rate and the free hour. Take care.
