

Male model available in SFV (You Host)

Location **California**
<https://www.genclassifieds.com/x-624654-z>

I am a mature male with experience in modeling clothed and nude. I am available as a life model for all skill levels. I take artists directions well and am open minded for all types of poses. I am available mornings and afternoons for one on one or groups at your home or studio in the SFV. I am 5' 7", 125 lbs and in good shape. I am willing to pose with other models. I hope to hear from.
