Hello

We are a brand new band called Highwaves coming out with our first single.

Genre can be kinda defined as Alternative/Post rock, but there's more to it..

Imagine a hybrid of bands such as APC, Crosses, Jane's addiction, God is an astronaut, Queens of the stone Age, Mutemath, Deftones, Muse, Massive attack, Coldplay.

We are looking for a bass player, someone with experience, own gear, committed and willing to make things happen.

We have several songs ready, here's some samples excerpted from the pre-production.
