If you are having carpet related issues and need expert help. Feel free to contact me at any time to consult with me about it and we can discuss possible solutions. I'm a Independent professional industry veteran with over 17 years experience. I have fixed over a thousand situations where the carpets were damaged by rips, burns, spills, stains, pet damage, (dog, cat, rabbits), bad seams, poor installation to begin with, water damage reinstallation/ Carpet repairs, rippling, patch, buckling, remodeling you name it. I also can repair or install commercial direct glue down carpets. I have all my own tools and can do the job right. I can help with new carpet replacement if needed. My work is very affordable if your on a budget. I do all my own work (no sub contractors). All open areas are installed using a power stretch. I appreciate you taking the time to read my ad and review these recent photos of my work. As always I look forward to speaking with you...thank you. Find my page on Facebook Atlanta Carpet Repair.
