

CO (boulder) to east coast (Maine)

Location **Colorado**
<https://www.genclassifieds.com/x-624727-z>

hello!

I'll be heading out on a road trip east around August 15. Plan to take about 5 or so days to get there, explore along the way, meet some cool people, do some hiking/climbing and such. Could use a fun copilot. Message for more details if this sounds interesting!
