Quad D Films is in search of female models, actress, (ages 21-43) (speaking role) for our independent music video for DragonCon 2015 (DragonCon is like Halloween X's10 for geeks) to be shot this Sunday night (extremely short notice). We are looking for an sexy, athletic, energetic individual (plus size OK IF you wear it well) with personality but, can also pull off a nice read on camera to add some sex appeal to our music video. This gig pays \$50.00 but will also provide those involved with an excellent opportunity for exposure. No experience necessary as we are interested in your look, not your years in modeling or experience. If interested please reply with pics (full body & head shots), video links if have some, and contact info. Below is a link to our last music video shot for Dragon con. Examples of our work can also be found at quaddfilms.com. Serious replies only please. Thanks and we look forward to hearing from you.
