Looking for Ladies in the 19-40 Range to fill auditions for Adult Videos. Photos must be sent in with a brief overture of yourself. For those chosen there will be \$400 for auditions. We are a very Discreet Couple who has ventured into the adult video world looking for local talent to move forward with. All videos will be sent outside the US so no need to worry about being seen by the guy next door. We are looking out for willing participants that want to something a little wild, you have to admit we all have a little wildside we need to let out occasionally.
