New Lexus Buyer

Matt's Overall Rating: 5 Stars

Customer Service: 5 Stars

Buying Process: 5 Stars

Overall Facilities: 5 Stars

by Matt from Colorado Springs, CO | November 16, 2014

Recently purchased my first Lexus. Looked at BMW and Audi as well. The Lexus product is better IMO, but the team at Kuni Lexus made the decision even easier. Their attention to detail and customer service - without an overbearing sales process - was clearly superior to the competition. A big thank you to Michael Young for providing an outstanding buying experience, and to Jennifer Manier for spending some quality time with me to get my new car setup (with a sweet 90s soundtrack playing in the background!). I'd recommend this team in a heartbeat. Reason for visit: Shopping for New
