

50 hp Mercury (500 USD)

Location **Alabama**
<https://www.genclassifieds.com/x-624862-z>

The motor wont start not sure why. The compression is within 5 of 130 on all 4 cylinders. I can show you the compression and you can hear it turn over, just wont start. Bought new motor don't need this one. Open to trade offers but not in a
