Location Alaska https://www.genclassifieds.com/x-624908-z

I offer pet sitting in my home for dogs and small animals. Dogs are \$15 a day and for small animals contact me for a price. Dogs must be at least 3 years old, have no history of aggression towards other dogs or children. Sorry for any inconvenience but no pitbulls or pitbull mixes. Dogs must be up to date on shots and have a credit card on file with a vet just in case something would happen to the dog while your away. If you need a good home for your pet while your on vacation or that weekend getaway then this is for you.

I also offer dog walking three days a week, Mon, Wed, Fri. It is \$20 a day per dog. You can do 1,2 or all 3 days. There is no time limit per say, I pic a spot on KGB or pic a trail to walk on. Your dog will have a good workout and walk at least 2 miles. I am on KGB and would like to find dogs around this area just for the fact that it takes to much time running all over picking dogs up to walk when they area all in different areas of Wasilla. Dogs must be good with other dogs and people and not have a history of aggression for the safety of other dogs who maybe walked with them andpeoplke who maybe.
