

# Hard cocks needed for chaturbate broadcast (fayetteville)

Location **Arkansas**

My GF and I stream live sex shows from chaturbate.com for a living. We are clean, professional, 420 friendly and occasionally drink. Shes 22 green blonde 32dd's gorgeous booty. He's 5'9 athletic build, blue blonde 6.5" cut. We have noticed that our shows do the best whenever we bring on fresh cocks. So we're looking to add a few more guys to our show. We've already recruited 3 people from craigslist so far, and each time it went extremely well even on the very first show.

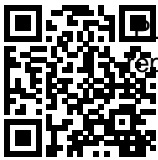

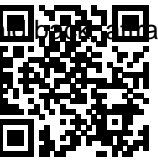

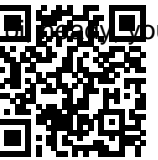

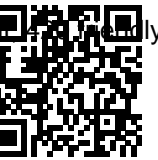

Absolutely must: Be attractive and well spoken. Be able to stay hard for extended periods of time. Be able to cum on command and get a boner easily even under pressure. Have a nice looking dick. Doesn't have to be huge or thick just has to look good on camera and stay hard. We are looking for ages 18-30 but fit younger bi guys go to the front of the line.

We have Arkansas along with a few other states blocked so no worries about being seen by anyone you know. We play games and tippers request different things so its a lot of fun and at the end we all bang :) Yesterday we reached an all time high with 9,000 + viewers. Its really exciting and we are getting a lot of positive feedback so we are hoping to grow our variety and add some new people!

When you reply just tell us a little about yourself and what you're comfortable with (But you must be orally bi). Send us a few pics preferably dick, body, and face just to speed up the process.

These types of messages will be deleted "still looking? (with no pic)" and "You interested? (scroll down to only a dick pic)" if you don't at least go the extra mile to write something then we probably wont respond :/ We need people who are serious and want to be a part of something really exciting and fun.

PAY!: The first time you probably wont get paid. Every guy so far had so much fun that they didn't even want to accept money. But if you help us make a lot of cash then we can definitely make this worth your time.
