I buy real estate, mainly homes, some commercial property, for resale!!!

Small, newer 3 bedroom, 2 bathroom homes with attached 2 car garages are preferred, but I will consider others.

I buy in Northwest Arkansas and in nearby states

The property has to be priced low enough to fix up (if necessary), to resell, and to make a profit.

I can close quickly!!!

I will accept property as-is and will pay cash, but it must have a clear title.

I am a realtor and an investor.

Above are examples of some of the different kinds of homes and other property I have bought.
