My roommate wants to move in with her sisters, so I'm in need of a new roommate-sooner rather than later! Any gender/age, just not crazy or a serial killer please. My place is two blocks from dickson/block/wilson park. It's three bedroom, two bath, non smoking (although you can smoke on the back deck or front patio if you like), 1100 sq feet, washer/dryer, dishwasher, and driveway parking. Rent is 800 (400 each) and utilities usually come to about 100. (internet, water, gas, electric.) The price is awesome, I can walk pretty much everywhere year round. Serious inquiries only!
