Teac LS (265 USD)

Location **Delaware** https://www.genclassifieds.com/x-625048-z

Selling my Teac LS-H265 speakers which are in excellent cosmetic condition with a couple minor scratches on the top which is expected with the piano finish which scratches easily. The speakers do not require a lot of power and sound great with a great look and finish. I have the original box. If interested please call/text or e-mail. If listed they are still for sale.

I have included a review of the speakers below
