2008 Ducati 1098 with 19,500 miles on it has everything added on to it that the 1098s edition has on it. Aftermarket carbine fiber added. Full Termignoni exhaust on it. Disgustingly fast. The big expensive maintenance was done at 15000 miles. This bike is a head turner. If you want the Ferrari of bikes this is the bike you want. Text me if interested
