Hello! I'm trying to spread the word out about this new business I joined/started with the company called "It Works!" I found out about them last year, when I heard about these weird wraps that help tone different parts of your body... Although I never really got the time to try them out. But this last month I found out that my coworker was a distributor of theirs and had a wrap, and I tried it! It's pretty darn awesome if you ask me. So I joined and now I want YOU to try them and see for yourself! And they just don't only sell the wraps, but other neat healthy and natural products as well! I want to change peoples lives and help people achieve their dreams :) So here's some info.

To be a loyal customer you have to commit to purchasing at least 1 product a month for 3 months!! After those three months are up you can stop doing your monthly orders and you get member benefits FOR LIFE!!!! Some of these benefits include receiving 40% off ALL products, 10% back on ALL purchases, and even the chance to earn an UNLIMITED amount of FREE products! And when you sign up today you can even earn a \$10 gift card to go towards your next order!!

Have I caught your interest yet? Definitely email/message me for more info, or just check out my website martipop85.itworks.com

My name is Marquita and I'll make sure i'll answer any of your!!!
