Hello Folks,

i'm Dominic from Singapore and i will be going on a 5 to 7 days road trip from anchorage to deadhorse. The trip will commence around 12- 14 Aug and end on 17 Aug. I do not have a car but im planning to rent a suv. At the moment i'm looking for a travel companion.

Personally, i have from backpacked around Asia, USA and been working in Yellowstone National Park. At the moment i'm working for a ranch in Homer, AK.

Drop me a msg if you're interested ;)
