Hey there, Are you in need of child care that is open late AND affordable? We are a family in-home child care and we understand the struggles of trying to find child care to fit you schedule. We also know times are hard and most are working just to pay for child care. We offer full time child care from 6 AM to 12 AM. Currently we have two openings for ages 9 month and up. Are price is \$425 a month per child for full time, witch is due on the first day of enrollment and then every 30 days after the enrollment date. We have a big house with a big yard and lots of fun stuff to do. If you think this is perfect for you and your child please give us a call or email.
