I need to find them some awesome loving family.

Of course there is a fee per each one, they will also have their first set of required shots before I let them go. If it is your first time owning a puppy, please do your research first online and on youtube how much shih tzu needs your attention and love.

Black and some white female

White with black spots female

Cream with some white male - NOT AVAILABLE ANYMORE (update)

Any questions or if interested, email me and please add your name and phone number or I will not respond with all the fake emails out there.

Thanks!
